HEADMASTER'S ADDRESS

Greetings,

I am humbled and honored to be a part of the West Roxbury Academy (WRA) family. As we celebrate the achievements of our students, this momento will provide fond memories in future years. I am truly proud of our graduating class and its outstanding academic achievements.

It is fitting that we pay tribute to all those who have contributed to what WRA is today. I would also like to thank all of the dedicated and caring staff, families, and community partners for their ongoing support. The staff at WRA is amazing, and I am grateful for their selfless commitment to our students. Our strong emphasis on academic excellence, professional collaboration, family, and effective partnerships, has contributed to our school's continued efforts to reform our teaching and learning practices.

As we measure ourselves against the school's mission statement, it is essential that we remain centered on why we do this work and the importance of education in reshaping the lives of those we touch every day.

Good luck to all Raiders!! May you find success in your future endeavors and always remember the WRA seeds planted that gave root to your rich future.
